

WARM WISHES FOR A

*Happy
Thanksgiving*

Thanksgiving is a special season since it gives us another chance to spread joy, reminisce on wonderful memories, contemplate on the lessons we have learned and appreciate the people in our lives.

We are deeply thankful for all our blessings and extend to you our best wishes for a happy and healthy Thanksgiving. May the good things of life be yours now, and throughout the coming year.

From our families to yours, may you enjoy a bountiful Thanksgiving, and a joyous holiday season.

- The UPH Team
